It is not always 'Omit at the cafe that night it is packed. Right after you have lunch at the cafe you

hershey Park

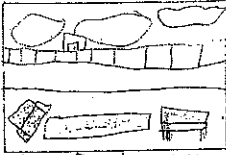

The bus to hershey Park is very fast. It comes about every fifteen minutes. All you have to do is stand outside for fifteen minutes and the bus will come. But if you were at another hotel they wouldn't have the bus. You would have to get off in the parking lot and it is gigantic but if you take the bus it will get off at the entrance to hershey Park. Also hershey Park is a gigantic amusement park with a huge water park families will love! That is not that hard only getting on it is and it will be only

The view feels like your outdoors. The ceiling is painted clouds and there is a indoor tress you can go on. It's like your outdoors but you're not.

If grown-ups want to relax the view is the place for them. If they're tired and have had a long day just go to the view. It's very peaceful at the view and also very relaxing. You might be able to hear the ocean if it's so quiet. The view can be helpful to everyone even kids. That's why the view makes you feel like your outdoors.
